Why study CIM at MAT ABACUS?

MAT ABACUS is Uganda's finest Business School, operating since 1999. The only higher learning institution in Uganda that specialises in educating in-career learners, offering exclusively evening and weekend classes.

You will be taught by some of Uganda's top managers; this means that you will be provided with real-world case studies while at the same time you will have the opportunity to meet and network with key players of the market.

MAT ABACUS is an Accredited Study Centre for CIM UK with a conducive study environment in the heart of Kampala. We offer a range of professional programs.
