

Online and Practical

# REVIEW CLASSES

**MAT ABACUS**  
Business School

**Certified Information  
Systems Auditor®**

An ISACA® Certification

#### Entry Requirements;

You'll need at least five years of verifiable professional experience in information systems auditing, control, or security. However, there are some exceptions.

If you don't have the full five years of experience, you can substitute one year of:

- ~information systems experience or
- ~financial or operational auditing experience
- ~You can also use your university or college credits.

CISA professionals are **valuable assets** to organizations that need to **protect their IT systems**, manage risks, and **comply with regulatory requirements**.
