

MASTER SCIENCE IN SUPPLY CHAIN MANAGEMENT AND LOGISTICS

Students choose MAT ABACUS for its academic rigor, its intellectual challenge and its proven ability to greatly enhance student career prospects. They're also drawn by its sheer flexibility; no other MSc gives you as much freedom. Most of the courses can be studied in the order you wish, and you have eight years, from commencing your studies, within which to complete.

Our MSc covers key disciplines, including, Freight Transport and Warehouse Management, Global Purchasing and Supply, Operations Management, Research Philosophy and Practice, Strategies for Managing Supply Chains.

PROGRAMME STRUCTURE

To be eligible for the award of the MSc you are required to successfully complete 7 mandatory courses and 1 optional course, totaling 180 credits.

Knowledge. Clarity. Works
