

## THE MASTER OF SCIENCE IN BUSINESS ANALYTICS

Students choose MAT ABACUS for its academic rigor, its intellectual challenge and its proven ability to greatly enhance student career prospects. They're also drawn by its sheer flexibility; no other MSc gives you as much freedom. Most of the courses can be studied in the order you wish, and you have eight years, from commencing your studies, within which to complete.

Our MSc covers key disciplines, including, Business Analytics, Business Consultancy, Network Analysis and Delivering Successful Projects.
