

THE MASTER OF SCIENCE IN FINANCIAL MANAGEMENT

Students choose MSc in Financial Management for its academic rigor, its intellectual challenge and its proven ability to greatly enhance student career prospects. They're also drawn by its sheer flexibility; no other MSc gives you as much freedom. Most of the courses can be studied in the order you wish, and you have eight years, from commencing your studies, within which to complete.

Our MSc covers key disciplines, including, Financial Decision Making, Advanced Financial Decision Making, Lending & Credit Risk Analysis, Financial Derivatives and Managing Financial Risk.
